

AMERICAN GLADIATORS™

Television's most innovative sports event, AMERICAN GLADIATORS, is now the most innovative sports game available for the Super Nintendo Entertainment System. Seven events including: The Wall, The Joust, The Assault, Human Cannonball, Atlasphere, Powerball and the Eliminator are all captured with digitized photography, and life size combat.

We've included all of the action, dram, and competitiveness, right down to the personalities and profiles of all the real-life Gladiators. Nitro, Ice, Laser, Thunder, Gold, Turbo, Zap, Lace, Blaze, and Gemini are all here, and just like their television counterparts, they'll never give in without a fight to the finish.

With tournament play, scoring, game rules and arena design taken right from the show, this game is as real as it gets. Gametek's AMERICAN GLADIATORS for your Super Nintendo Entertainment System, is survival of the fittest.
