

SUPER METROID

Team up with the strength of Samus for a Super Metroid clash!

Take on a legion of Space Pirates and a new Metroid force as you forge into the covert underworld of Planet Zebes! It's up to you and Samus to recapture the long-surviving Metroid hatchling before evil hands unleash its energy.

An army of ominous creatures are poised for battle at every turn of Zebes' twisted, threatening passageways ... including the menacing Ridley and the great lizard Kaid. Knock down enemies with a killer somersault and swing on an electric beam through narrow passageways! They're no match for you and Samus ... but wait! It seems the Mother Brain has returned ...

- 24 Megs of action in the largest Super NES game ever!
- It's the toughest Metroid clash yet!
- Six huge areas to explore!
- Samus has an arsenal of new beams, missiles and super high-tech devices.
- Battery-backed memory saves your progress!
